

EXPRESSION OF INTEREST

**Weavers Forum is planning to hold an exhibition in Tamworth
29 October - 25 November 2008.**

This will overlap with the 18th Tamworth Fibre Textile Biennial which opens about 7 November 2008. It is an honour to have been given space in conjunction with such a prestigious event. Our exhibition is aimed at being at a different level to the Biennial of course, however to be of sufficient quality to stand on its own feet.

The committee (Audrey Ford, Helen Halpin, Anne Miller, Trudy Newman and Ursula Stehle) sees it as an opportunity to present the works of Weavers Forum members to the wider community and to promote weaving in its many forms. The types of works that would be likely to be included may be fabric lengths/wall pieces/wearables/tapestries/rugs/braids etc. It will be a juried exhibition.

The jurors will be experienced in the textile field with particular reference to woven textiles. The judging criteria will be up to the jurors but would include: 1) an emphasis on creativity in concept, design and execution; 2) innovative and/or unusual technique; 3) excellence in workmanship.

At this stage the committee is calling for "Expressions of Interest" from Weavers Forum subscribers to gauge if there is sufficient interest in this proposal. The entry form and requirements list will then be forwarded. To participate in the exhibition, Weavers Forum subscribers will need to be financial for the year of 2008. (Please note, if your subscription is due for 2008, you will receive a notification in the Feb 2008 newsletter.)
